Product description

The COLOP S 300 is a long lasting custom text stamp for office users out of the COLOP Office Line. The impression size is 30 x 45mm which offers space for up to 7 lines text. The stamp is predominately made of recycled plastics - a minimum of 75 % is used. Due to the ergonomic handle it is comfortable and effortless to use. It is made of plastics and thus lighter than other comparable products.

Purpose of use

The product was developed for stamping a text on an absorbent material (e.g. paper, carton). To get a clean impression, it is important to have a flat stamp base.

Any handling other than that described in this document does not correspond to the purpose of this product.
